Governing body effectiveness and impact

The Governing body aims to hold the Headteacher to account for the educational performance of the federation and its pupils by regular visits into school as link governors, attending meetings, questioning and challenging at all times.

Our governance committees have continued to meet throughout the Covid-19 via Zoom. The resources committee met four times to oversee the financial performance of the schools, making sure the money is well spent, taking into account Pupil Premium and sports funding. The school Improvement Committee met four times via zoom to oversee curriculum development and pupil progress during remote learning.
