

## Food for Life Served Here

Please find enclosed your sticker with the new Food for Life Soil Association slogan: "Food for Life served here."

Please ask your Head teacher where they would like this to be displayed. It may go near the EHO Food Hygiene sticker showing your star rating.

The award recognises that:

- At least 75% of the dishes on the menu are freshly prepared from unprocessed ingredients
- All meat and poultry is fresh and reared on local / regional farms which meet UK welfare standards and have Farm Assured or Red Tractor accreditation
- The fish we serve is from the Marine Conservation Society "fish to avoid list"
- We only use free range eggs from East Yorkshire
- No undesirable additives and artificial trans fats are used
- No genetically modified ingredients are used
- Drinking water is always available
- Seasonal and in season produce is part of our menus
- Information about food provenance is available
- We provide for cultural and medical needs
- Suppliers have been verified to ensure that they apply appropriate safety standards
- Staff are supported with training in fresh food preparation and that we encourage our staff to be involved in a whole school approach to food issues
