A weekly note from your headteacher...

Another busy week at Sessay.

Work on the roof is all going to plan and we are on schedule to move back into the main school building on 1st June. Isla and Rebecca in Rievaulx continue to update our School Buildings Work 2018 scrapbook.

Our Collective Worship theme in school this half term is 'Friendship'. Your child has already brought home the 'Home School Values' sheet with some fun ideas to reinforce and explore the value at home. As stated in last week newsletter we now subscribe to 'Picture News' and our Thursday worship looks at current affairs and developing global awareness, we will also be sending out a 'Picture News at Home' document so that parents know what is being discussed in school and can develop it further at home.

A definite highlight of my week was enjoying lunch with the children outside in the sunshine for the first time this year. Thanks to the proceeds made from the children's pop up tearoom we will be purchasing picnic rugs for pack lunches to use on the grass in the near future to further enhance lunchtimes

Enjoy the bank holiday weekend, let's hope the weather is kind to us.

Join in the fun this summer with the Sessay Eco & Gardening Group Sunflower Growing Competition. £2 will buy you a kit containing, plant pot, compost, and seed. The instructions are simple: Plant it, Water it, Photograph it. Prizes will be given to the pupil who grows the tallest and the sunflower with the biggest head. Any profits will be used to purchase plants for the school garden.
