7th December
KS1 Christmas Pottery Night

On Thursday a special Remembrance Assembly for KS2 was held in church. Governor Sue Thorne talked to the children about the importance of remembrance - 53 people from Sessay had been called up for World War 1, 5 of whom did not return. They took time to look at the stained glass window in church dedicated to the soldiers. Wreaths have been made that will be places in church.

Earlier in the week a group of children, accompanied by Mrs Bainbridge, delivered some special hand written cards to the members of the Tuesday Club in Sessay Village Hall. The cards had been made featuring the poem 'For the Fallen' by

Congratulations to Emma & Erin who both came 6th in their Cross Country runs on Thursday. Both have made it through to the finals at Dalby Forest which is an amazing achievement!

Great excitement followed a long wait Wednesday when the Blue Peter team, Lindsay, Barney and Radzi arrived at school at 3.30pm when their estimated time of arrival had been 12 -12.30! Despite being extremely behind schedule, partly due to the terrible weather, the team still stopped to talk with and have their photographs taken with the children who had been able to stay after school.

A team of Yr 5/6 Footballers took part in a cluster tournament at Thirsk School on Tuesday. Everyone played extremely well and they finished 4th overall. Well done!

Foss
The next meeting of the Friends of Sessay School will be 8.40 am on Tuesday 15th November.
Everyone welcome.

Sessay School Christmas Fair

Friday 2nd December 3-5pm

As the Christmas season is fast approaching we are giving thought to our Christmas Fair, which last year was a huge success.

We would like donations for two hampers – (one for an adult & one for a child) which we will be raffling. These will be gift hampers so anything goes! There will also be a Cake Stall (donations on the day please!). All donations can be left in the school office or in the classrooms. Each class is planning its own stalls, which you will hear about soon.

If you are able to spare some time on the evening we would like two parents from each class to help out with the running of stalls.

All the staff in school really appreciate the support we receive from our families and are planning for this to be a fun evening for everyone.
