

RIEVAULX CLASS NEWSLETTER AUTUMN 2016

Welcome back to the new school year, I hope everyone has had a super holiday and is ready for learning again.

It's going to be a busy and fun packed half term in Rievaulx so here are just a few things to tell you about...

We are very fortunate to have Mr Mason back in school again this year. He will be with us on a **Monday morning 9 – 10am** so it is VERY important that everyone arrives at school on time (8.45am) quick change and ready to go! If the weather isn't good, we will be doing some science activities related to 'Animals, including humans' (pulse experiments, healthy lifestyles etc)

On a **Thursday afternoon 1-2 pm**, we will have another P.E. session with a coach from Simon Carson Sports; please can children have their P.E. kit in school all week and take it home to wash on a weekend.

Homework will be given out on a FRIDAY and collected in the following THURSDAY.

This term the **Year 5's** will go **swimming** on a Friday morning with the Y3/4 children from Fountains. This will allow me to do some valuable, targeted teaching with the Year 6 children.

Mrs Spence will continue to work every morning as well as Thursday afternoon in class.

My planning and preparation time (PPA) will be on a Tuesday afternoon. During this time, Ms Rolph will teach science to the class.

Our topic to start off the year is 'The Titanic'.

If you have any books or relevant information, please feel free to bring them in. This topic lends itself to lots of literacy work – newspaper writing, diary extracts; art activities, group

investigative work and individual research – I'm sure the children will enjoy it!

I hope all the children will work hard and be very happy in Rievaulx. If you have any questions please feel free to come and see me.

Kind Regards, Mrs Sowray.
