TRUST

It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education](#) Ofsted inspectors consider:

Intent - Curriculum design, coverage and appropriateness

Implementation - Curriculum delivery, Teaching (pedagogy) and Assessment

Impact - Attainment and progress

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school’s budget should fund these.

Please visit gov.uk for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding, including any under-spend from 2019/2020, as well as on the impact it has on pupils’ PE and sport participation and attainment. **All funding must be spent by 31st July 2022.**

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click [HERE](#).

Details with regard to funding

Please complete the table below.

Total amount carried over from 2019/20	£8010
Total amount allocated for 2020/21	£16750
How much (if any) do you intend to carry over from this total fund into 2021/22?	£422
Total amount allocated for 2021/22	£16870
Total amount of funding for 2021/22. To be spent and reported on by 31st July 2022.	£17292

Swimming Data

Please report on your Swimming Data below.

<p>Meeting national curriculum requirements for swimming and water safety.</p> <p>N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts.</p> <p>Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study</p>	<p>Information taken from a survey conducted with Year 6 pupils. (Note cohort of 14 pupils – each pupil represents 7%)</p>
<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?</p> <p>N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2021. Please see note above</p>	<p>91% Planned swimming lessons from school severely disrupted due to Covid restrictions and the extended closure of the pool for refurbishment.</p>
<p>What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?</p> <p>Please see note above</p>	<p>56%</p>
<p>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</p>	<p>84%</p>
<p>Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?</p>	<p>No – due to pool closure</p>

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year: 2021/22		Total fund allocated: £17292		Date Updated:12.7.22	
<p>Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school</p>					<p>Percentage of total allocation: 36%</p>
Intent	Implementation		Impact		
<p>Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:</p>	<p>Make sure your actions to achieve are linked to your intentions:</p>	<p>Funding allocated:</p>	<p>Evidence of impact: what do pupils now know and what can they now do? What has changed?:</p>	<p>Sustainability and suggested next steps:</p>	
<p>Raise awareness of daily activity levels of all children</p> <p>The School Games Values link to the School Values enabling children to know that the virtues of sport can be linked to learning for improved outcomes. Benefits of health & wellbeing are incorporated into the School Games Values to promote healthy lifestyle choices and mental wellbeing. Achievements are celebrated.</p>	<p>Active maths/Sticky Kids/ Brain Break challenges used as activities in school. Continued use of new individual fitness trackers with a recording and assessment feature. Staff will continue to monitor less active children and through conversations and providing the right opportunities encourage participation to enable them to be engaged in achieving a minimum of 30 minutes daily activity.</p> <p>Sports coach to train 'Junior Leader' and aid MSA's in providing exciting games. Staff & Sports coaches to continue to provide extra curricula clubs.</p> <p>Forest Schools to continue as part of school's offer of a broad, balanced and active curriculum – forest schoolteacher to model quality</p>	<p>£4345</p> <p>Forest School</p> <p>£1230</p> <p>Sports coach</p> <p>Active maths</p> <p>£575</p> <p>Brain Break (through Sports Partnership)</p>	<p>Sport & Physical activities continue to be high profile as an aid to physical and mental wellbeing. A wide range of sports clubs are open to all year groups, all pupils have again the opportunity to participate. Teachers can quickly and easily provide quality active lessons as part of daily physical activities.</p> <p>Quality activities encourages greater response from pupils to participate. Outdoor learning in EYFS sets good practice for continuation as children progress through their school years.</p> <p>Forest schools are timetabled as part of active lessons. All staff continue to learn new skills and gain confidence. Children learn new skills outdoors and can apply curricular knowledge during their learning. Encourages</p>	<p>Active lessons/ brain break's are included in daily lesson plans.</p> <p>Sports Leaders Award Programme to be started.</p> <p>MOKI trackers. Use the data to further encourage children by interpreting the data and engage them more.</p> <p>Aim for more of the KS2 children been given opportunity to lead activities. (Sports coach)</p>
