

A 'Friday Celebration' note from Miss. Bennett...

A busy, final week of remote learning.

On Monday all our Year 6 children received notification of their secondary school places for September and their new schools are very lucky to be getting them. I can't believe we are already in March!

This week was the final Yoga session with Lizzie from Queen Ethelberga's. We have been offering a 5-week remote programme during lockdown to further support the wellbeing of all our children. A big thank you to Queen Ethelberga's for supporting us in being able to provide this.

Everyone enjoyed celebrating World Book Day yesterday and loved finding out about the books of author Sarah Oliver and we look forward to meeting her in a live question and answer session for all classes across the federation next week.

This week Class 1 and Byland have been comparing the story 'What the Ladybird Heard Next' to the original story 'What the Ladybird Heard'. They have written alternative endings for this story and created their very own Snuggly Snerd characters. They have also been busy painting and making models of minibeasts for our new science topic. Class 2, Fountains and Bolton have been continuing with the theme of measurement in maths. Year 2 have been looking at length whilst Years 3 and 4 have been measuring volume and capacity. Bolton and Class 2 applied their knowledge and skills by creating their own potions. They have enjoyed learning about how pyramids are built and some of them have written adverts for a pyramid to put onto an Ancient Egyptian version of Rightmove!

Class 3 and Rievaulx have been writing prayers, writing stories based on WW1, learning about French food and continuing with measurement in maths. Another busy week in Upper Key Stage 2.

Keep up the hard work everyone!

This afternoon is our weekly, whole school Friday Celebration Zooms. Everyone is more than welcome, this is an opportunity for all our children and parents to come together at the end of every week.

Hustwaite

Miss Bennett is inviting you to a scheduled Zoom meeting.

Topic: HUSTHWAITE Friday Celebration Assembly

Time: Feb 26, 2021 02:00 PM London

Every week on Fri, until Mar 26, 2021, 5 occurrence(s)

Please download and import the following iCalendar (.ics) files to your calendar system.

Hustwaite

Class 1

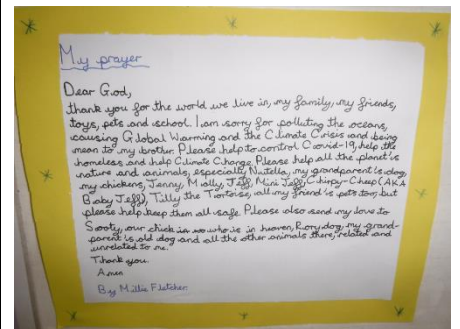

Eliza M enjoying reading to some of our younger children on World Book Day.

Class 2

Class 2 enjoying mummifying tomatoes!

Class 3

As part of our learning about Lent and Easter, we wrote prayers of what we are thankful for. Here's Millie's and Ellesia's.

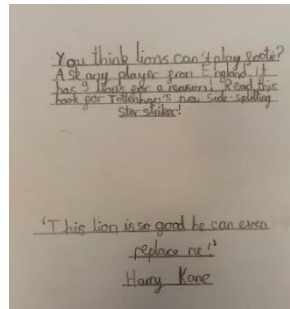

Class 1 enjoying the story 'The Best World Book Day Ever!

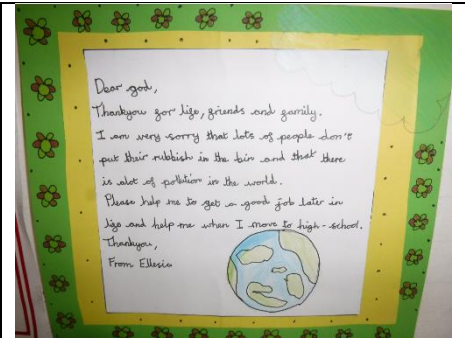

Ethan has worked so hard with his speech, language and phonics.

Annabel following her sandwich instructions

Rory's blurb

Peter's wonderful world book day biography:

Biography on Sarah Oliver

Sarah Oliver is an author who has written over 20 books. Sarah is from a place in England called Widnes. Widnes is famous for all of their bridges. Widnes is also famous for making lots of chemicals and people used to say that when they went across it used to be stinky and it used to be a really stinky town. There are a few famous people in widnes. The reason Sarah Oliver became an author is because she absolutely loved reading as a kid and her mum always used to tell her to go to bed but she stayed reading and stayed up late. Sarah used to write scripts for plays and then after that she went down to Cornwall and she learned all these new ways of writing like magazines and diaries and alot more. She put all of this work into her first book. After she had finished her first book she decided to be an author and wanted to move back to Widnes. When she had handed her first book she handed it into the publishers and one week later she had a text message from them and they said they will publish it and not just that they asked if she will do another one. A few weeks later she went to Asda the shop and she found a load of her books on the shelves and she could not believe it so after that she became an author.

Class 1, Mrs Jackson.

Eliza M for being a great role model to all. Eliza consistently demonstrates mature behaviour and is caring of others. She always helps either her friends, teachers or younger members of the class.

Ethan for making wonderful progress with his speech, language and phonics. Ethan is always ready to start his sessions with a smile on his face. He has been willing to give everything a go, with great success. Well done Ethan!

Class 2, Miss Goodchild.

Annabel for outstanding engagement in her remote learning throughout the lockdown period.

Rory for his brilliant book cover blurb inspired by the author Sarah Oliver and our World Book Day learning.

Class 3, Mr Chapman.

Jess for showing amazing enthusiasm for a special writing task she has been doing with Mrs Gale. I can't wait to see the finished piece.

George for week in week out dedication to his remote home learning. Really well done, your standard of work has got better and better.

Peter for his amazing biography of the author Sarah Oliver.

Sessay

Byland

Billy's super caterpillar!

Connie investigating how to make an egg float.

Fountains

Joel about to eat his bagel.

Bolton

Elliot's fantastic instructional writing

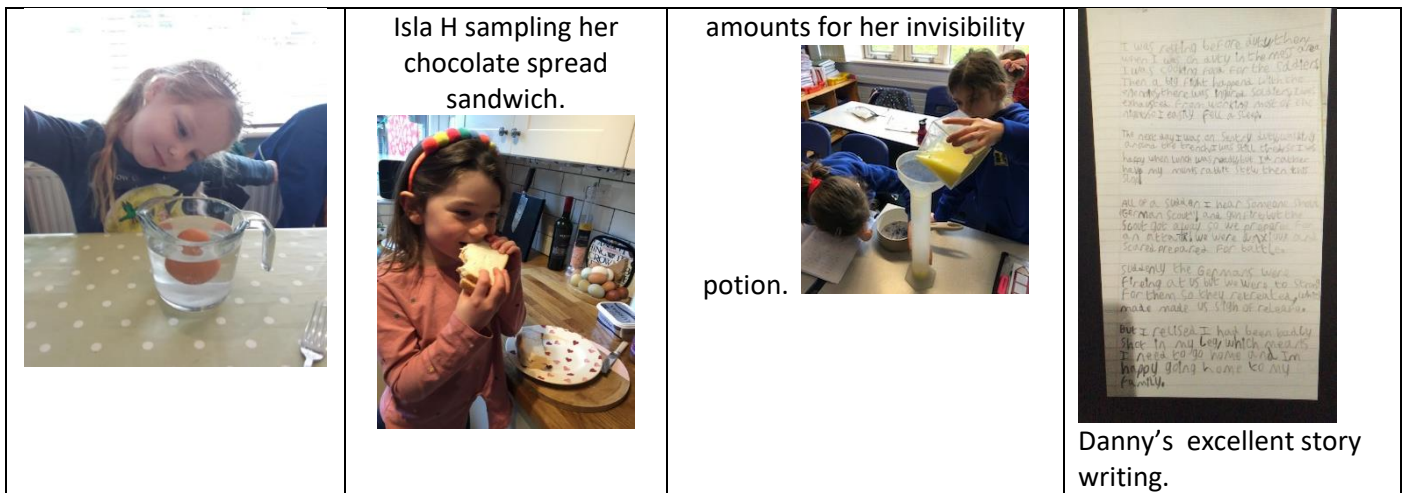

Attilia applying her maths knowledge and skills to measure the exact right

Rievaulx

Maddie's French work this week.

Byland, Mrs Tyrka and Mrs Bennison.

Billy for working so hard in his phonics sessions and for creating this super model of a caterpillar.

Connie for her super science at home! Connie carried out an experiment to see how she could make an egg float by adding salt to the water.

Fountains, Mrs Sowray.

Joel for some super work when writing and evaluating instructions this week and then of course the taste test at the end!

Isla H sent me a video of herself explaining how to make a chocolate spread sandwich – the instructions were clear to follow; she had included lots of imperative verbs – well done!

Bolton, Miss Southward.

Attilia for her super maths work on measurement this week.

Elliott for writing a brilliant set of instructions on how to mummify a tomato!

Rievaulx, Mrs Watson and Ms Gauder.

Danny for planning and writing an excellent story based on a soldier in WW1. Very neat handwriting too!

Maddie for her French work this week. She has written which foods she likes and which food she dislikes.

All the federation staff would like to congratulate all the children for their hard work throughout this lockdown and we can't wait to see everyone on Monday. The attached Return to School Guide should clarify all information in readiness for our return next week. Thank you for completing our Return to School Survey which has contributed towards our preparations.

Have a lovely weekend 😊

NOTICES:

- Today you will receive your child's Class Parent Information for the rest of the Spring term.
- Children are welcome to bring in any remote home learning books next week for their class teachers. There will be boxes for these to go in for quarantine purposes.
- Any children that have a digital device on loan from us, do not need to return them to us next week and we will send out further information.
- Parent evening appointments were emailed out yesterday for Tuesday 16 / Thursday 18 March. Parent governors. As you know Mrs Louisa Carolan (Sessay) and Mrs Liz Hebdon (Husthwaite) are our parent governors. Our monthly, face to face governor surgery at drop off will resume when guidance allows. As always if you need any assistance or support please don't hesitate to contact them on :

Sessay – Mrs Louisa Carolan CofG@sessay.n-yorks.sch.uk

Husthwaite – Mrs Liz Hebdon lhebdon@husthwaite.n-yorks.sch.uk
