

y School 'Growing together in love and learning'

## Sessay CE Primary School Monthly Newsletter

### September 2024...

What a fabulous start to the new academic year! All our children, old and new have settled in so well to their new year groups. It is so lovely as always to see our older children supporting our youngest and the buzz and love of learning fills our school once again after the summer break.

Everything is back in full swing and at the beginning of the term Fountains class had a lovely morning at our KS1 Cluster Fun Run at Sowerby Academy. We were so proud of all the children who were impeccably well behaved and ran so well in all their races. They also displayed fabulous sportsmanship in congratulating our medal winners, Martha, Ted, Wilfred and Charlie. A huge well done to all the children.

Yesterday we celebrated European Languages Day...

In **Byland** we started the day by trying to answer the register in different languages. We had French, German, Spanish, Finnish and Swedish. We found out some information about Finland and then created some pictures and paintings, including the Finnish flag and images of Finland. (Mrs Fielding)

In **Fountains** we looked at where France was on a map and then answered the register in French. We counted to 10 in French and enjoyed tasting croissants. (Mrs Bennison)

In **Bolton** we greeted each other in 10 different languages. We then focused on one country, drew the flag, found a traditional food, fun fact and sampled croissants! (Mrs Sowray)

Pupils in **Rievaulx** had to investigate how to say 'hello' in 5 different languages. They then had to select one of these countries and find 5 facts related to that country. For an extra challenge, they entered a virtual Escape Room with different tasks that had to be completed in order to find the correct numbers to crack a code and escape. (Miss Wilkie)

Today we are once again supporting Macmillan – wearing green and enjoying a yummy bun at play time! Thank you to all who baked and donated on our Just Giving page to support this amazing cancer charity that is so close to many of our hearts.
