

Sessay CE Primary School

Fresh fruit & yoghurt options available every day

If your child has an allergy or special dietary requirements, please inform the school and our catering team, so we can discuss their needs.

We have highlighted the 14 allergens on our menus to help you make informed decisions. Some of our recipes include 'may contain' information, but this is not included on our menus. This information is however available on our daily allergen matrix. Please contact your school cook for further information.

V = Vegetarian **VG** = Vegan

Additional items may be available at your school, i.e. jacket potatoes and sandwiches. Please speak to your school for further information.

Activity Fun

I've been travelling around Yorkshire and the Humber visiting you and your schools, helping the catering team to run taster sessions for you to try some of the tasty new items on the menu.

Have I visited your school yet? If not, I hope to see you very soon! Until then, please keep enjoying your school lunches, and help me with the below activities.

Peas and Crosses

Can you work out which vegetable is which?

Colour them in once you have!

Fibre

Providing your body with a balanced and varied diet allows you to benefit from the different nutrients your body needs to grow, which are available in food.

One of these is fibre, which is a type of carbohydrate and is found naturally in lots of different foods including oats, wholemeal bread, fruit and vegetables.

Fibre aids with digestion and feeling fuller for longer. Find out how you can get more fibre in your diet here:
