Tuesday 28th January 2020

Dear Parents/Carers,

We have received the report from Ofsted following our section 5 inspection on 14th and 15th January 2020. The report will be published on the Ofsted website on the 3rd February 2020. It is no longer confidential information and we are now allowed to share it with parents/carers in advance of its publication next week.

This inspection was carried out under the Ofsted Framework for inspections which was most recently updated in September 2019.

I am extremely happy and so very proud to say that Sessay School has been given a grade for Overall Effectiveness of 'Good'. Ofsted is all about school improvement and has recognised the significant improvements and hard work by all stakeholders since the last inspection in October 2017. The report clearly reflects our amazing children, 'happy school family' and the fact that we offer a 'broad, balanced, active and ambitious curriculum for all pupils'.

We have a very clear vision and our wider curriculum foundation subjects are constantly developing in line with the September 2019 Ofsted Framework.

We have a skilled, experienced and caring staff team and a strong Governing Body who are fully committed to the school and your children; I would like to take this opportunity to commend them for their consistent hard work and professionalism as we continually work towards moving the school and federation forwards.

Finally, I would like to thank parents/carers who provided their views to the inspectors and for your ongoing support. We are all very proud of our school and pupils whose behaviour and attitudes were remarked on so positively by the inspectors.

If you have any questions about the report, as always you are very welcome to catch me informally or make an appointment to discuss these with me.

For the full report please see the attachment. Paper copies have been sent out today in book bags and are available at the school office on request.

As always, many thanks for your continued support.

Yours sincerely,

Fiona C. Bennett
