Open the Book  
Assembly

13<sup>th</sup> January  
Young Voices

15<sup>th</sup> January  
Music for Life (pm)

20<sup>th</sup> January  
Open the Book

## **A fortnightly note from your headteacher...**

A busy fortnight at Sessay!

All our children have been enjoying their learning across the curriculum. Last Thursday Years 5 and 6 from across the Federation had a fabulous visit to Yorkshire Winter Wonderland, where many of them went Ice Skating for the first time. Not only did they try a new sport, they enjoyed being with the children from Hustwaite of the same age and lots of fun (and falls!) were had by all!

In DT Year 4 have been designing and making their own 'Makebelieve Trees' linked to their class book 'The Land of Neverbelieve'.

We certainly have some keen scientists! Fountains have been working on their topic about light in science. They have been deciding which material would make the best shadow puppet. They grouped materials under the headings transparent, translucent and opaque. The scientists decided opaque materials cast the best shadows. They made a shadow puppet theatre and also found out how to make their puppets appear larger or smaller depending on their distance from the light source. (Mrs Wells)

### **When is Church?**
