Year 5 as part of their Irreversible and Reversible Changes topic were being chocolatiers and have made chocolates to sell at the Christmas Fair. Further filtration experiments involved prediction and investigation.

Year 5 and 6 enjoyed an exciting morning of Sports hall Athletics at Thirsk High School yesterday. The children participated in track and field events, including javelin, vertical jump and obstacle relay. After a fun morning, Sessay were awarded second place - a fantastic achievement! Well done and congratulations to all our Year 5 and 6 children. (Mrs Watson)

Emily, 'I loved doing the over- under relay!'

Eva, 'I enjoyed the 6- lap relay, as I just love running!'

Maisie P, 'We came second and it was awesome!'

We look forward to Byland's Christmas Play next Wednesday and the whole school will be taking part in 'Christmas Jumper Day' on Friday 13th December should they wish too. We will be supporting The Children's Society once again this Christmas in school. Envelopes will go out on Thursday 19th December to be returned the following day for our Christingle service. Friday 20th December, 1.30pm at St Cuthbert's Church. As always everyone is welcome to join us.

Thank you to Mrs. Jeffray in Sessay village for providing the Christingle resources once again this year.

Currently North Yorkshire County Council are looking for a new school cook at Husthwaite as of February. Anyone interested please see their website.

Sessay village road should be open again next week. Please can everyone adhere to the speed restrictions through the village and can I remind all parents / visitors not to park on the zig zag lines at the school gate. Only the school bus is allowed to pick up and drop off there. As you know we had a near miss on these lines this time last year and safety is paramount!

As you know today is our Christmas Fair, 2-4pm. Please can I take this opportunity to thank everyone for your kind donations and ongoing support. We hope to see you this afternoon. Have a lovely weekend.
