Williamson

25th November
Open the Book

26th November
Flu Immunisation Day

6th December
Christmas Fair

A fortnightly note from your headteacher...

Another busy fortnight at Sessay.

Firstly, thank you so much to all of you that brought in 'Bags for Schools' earlier this term. We raised a fantastic £108 towards school funds.

A number of different questionnaires have gone out recently and I will be sending one out next week regarding the before and after school club. We need your views to support improvement and thank you for taking the time to fill them in and return them.

Last week all our children in Year 1 upwards took part in our first half term's pupil voice session of the academic year. We have the following pupil voice groups. SEG (Sessay Eco Group), MoneyMakers, Epic Improvers, Health and Wellbeing, Worship and Fairtrade. The Epic Improvers were very excited to hear that they have been granted planning permission from Hambleton District Council for a path between the old school house and St Cuthbert's church.

Our Reception children featured in this week's Northern Echo newspaper.

Last Thursday it was World Mental Health Day. All the children learnt about the importance of a healthy body and mind.
