Assembly to include
Remembrance

A fortnightly note from your headteacher...

It has been a busy week at Sessay as everyone has settled back into their routines and focused on their learning.

Firstly, I would like to congratulate all the children and staff as in the Summer term we achieved the Gold Sportsmark award! Well done everyone!

As you know last term our children entered the Thirsk & Sowerby festival, Art and Handwriting competitions. They were on display at The Thirsk Festival during the summer holidays. I would like to formally congratulate Sam Thompson now in Year 3 who achieved 2nd place in the Art competition and 1st in Handwriting and Adam Bradley now in Year 6 who achieved 2nd place in the Handwriting. A big congratulations to those two individuals but also to all our children that took part.

There was a troublesome visitor in Byland this week! Evil Pea was on the loose and has been causing chaos in the classroom. After trying to catch him with wanted posters, the children made their own Superhero Veggies and left them out overnight. Yesterday morning there was great excitement as the plan had worked – Evil Pea had been captured! Hooray for the Super Veggies!

Next week all our children in Years 1 and 2 will be taking part in our KS1 Fun Run cluster event. Not only is this an opportunity to be active, have fun and increase their stamina in running it is an opportunity to socialise with similar aged children within our cluster of schools.

On Friday 29th September we will be supporting the Macmillan Coffee Morning. Money Makers pupil voice group have organised a 'Wear green day and enjoy a cake!' Contributions of buns/cakes would be greatly appreciated on that day. Please bring £1 or more if your child would like to take part and wear non-uniform, something green and have a bun at breaktime. Any leftovers cakes will be sold at the end of the day. We are very pleased to be supporting this charity that has affected so many of our own families and friends.
