In the past fortnight we have celebrated Children's Mental Health Week with the theme 'Find Your Brave' and Safer Internet Day with the theme 'Together for a better internet'. Key messages were reinforced with special assemblies to mark both events.

On Friday 28<sup>th</sup> February we will be having a film night in school. On Thursday 5<sup>th</sup> March we will be celebrating World Book Day in school. As part of our World Book Day celebrations this year we would like the children to bring in a photograph of themselves reading a book or having a book read to them in an unusual place! Will you be reading a book in an exciting place over half term? We will use all the pictures to create a Celebration of Reading Wall.

I'd like to remind you there is no celebration assembly today due to Mrs Corner's (previous headteacher) funeral.

Don't forget the road closure (Dalton to Sessay) today 9.30-3.30pm due to works on the small railway bridge. Please use an alternative route when picking up your child this afternoon and observe further closures after the holidays.

Our Epic Improvers Pupil Voice Group would like to tell everyone that work on building a path between school and St Cuthbert's will begin during half term. The final gravel resin bound surface will be laid hopefully in March, weather and temperature dependent. The Epic Improvers have sourced finances from FOSS 'Ice Cream Friday' fundraising, and the very generous Sessay Parish Council and The Johnson and Mukherjee Brothers Charitable Trust to whom we are very grateful. We are all very excited about the new path which will be safe, mud free and accessible for all.

Have a fun and restful half term. We look forward to welcoming the children back on Monday 24<sup>th</sup> February.
