A fortnightly note from your headteacher...

A busy final fortnight of the first half of the spring term at Sessay.

Rievaulx described their trip to the International Centre for Life in Newcastle as 'amazing!' They enjoyed many activities including a science theatre, planetarium and Ancient Greeks workshop. Highlights included making and firing their own rockets, touching a piece of moon rock and learning about Archimedes and the density of different objects. 'It was a really good museum, I loved it! My favourite thing was being a DJ and speeding up the song' (Jean).

Our schools informal 'Spelling Bee' event on Monday 3rd February was enjoyed by all. A big congratulations to Scarlett Richardson, Maisie Puplett, Elsie McClive, William O'Gorman and James Kavanagh who represented Sessay at a cluster Spelling Bee Competition at Linton on Ouse Primary School on Tuesday 11th February. Mrs Bentley and myself were extremely proud of all of you and a very special mention goes to Elsie who achieved the bronze certificate and William who achieved a gold certificate! Thank you to those parents who came along to support the children and school.

Byland loved their trip to The Yorkshire Museum and Gardens. They were all palaeontologists for the day. They took part in a dinosaur dig workshop and made their own fossils. They learnt many interesting facts including that dinosaurs did not fly or swim. They even touched dinosaur poo!

When is Church?

16 th February	9am	Morning Prayer
23 rd February	4pm	Holy Communion
1 st March	10am	Morning Prayer
8 th March	9am	Holy Communion
10 th March		Lent Lunch
