

## A 'Friday Celebration' note to all my special children across our Federation from Miss. Bennett...

*All of you get a Headteacher Award wristband today!*

Happy Friday to all and a big well done for nearly completing your first week of 'Home Learning' and staying at home in 'Lockdown' as ordered by Boris Johnson our Prime Minister on Monday. I have missed each and every one of you, but you are in the safest place, with your families and are all helping to slow the spread of the Coronavirus. It is a very difficult and unusual time for all of us. It will take time for us all to adjust, but I know that with each other's support and lots of kind words we can get through it. I can't wait for the day when I can welcome you all back in to school for a 'Purple/Green Home Learning Book Party!' I am so looking forward to seeing all your fabulous work and hearing about the innovative and exciting activities you have been doing at home.

All your class teachers have been keeping me up to date on all the excellent 'Home Learning' that has started this week. I have loved seeing the photos of many of you in your home work spaces and at your desks. You all look like you are working hard! I hope you are trying your best and being perfect pupils for your parents / carers.

Take a minute to think about everything you have done this week...

Have you taken up a new hobby? Written an amazing story? Improved your number bonds or times tables? Learnt a new Yoga position?

What do you think has been your biggest achievement this week? Discuss with your parents/carers what you think it should be. Remember to write or draw it at the end of your diary entry for today.

Most importantly, I hope you have all been super helpful (helping with jobs around your house) and are being kind to all your family.

Have a lovely weekend and may the beautiful sunny weather continue. Take care and stay safe. 😊
