F	Spelling shed Newsround	PE	SPAG-spelling test!		Science			Handwriting	Computing 1.15-2.15	Celebration assembly 2.30-2.55	

Our class book for the rest of spring term is going to be *The Secret of Black Rock* by Joe Todd Stanton. This is a modern folk tale and a little different to any of the texts we have looked at before.

We will continue to work on measure up until summer term in maths.

Our topic of Ancient Egypt will continue until the Easter holidays where we continue looking into the food habits, beliefs and traditions of ancient Egyptians.

In DT we hope to enjoy some food technology activities that link to our Egyptian topic and draw on the skills and knowledge learned through our work on measurement.

We will be completing our topic of sound in science. We will now explore pitch, frequency and amplitude.

In PE we will be are going to enjoy a range of games that focus on team work. In RE we will continue to think about Easter.

The next few weeks will be spent restablising routines and expectations. Most importantly we will be focussing on the children's wellbeing and their friendships with peers.

### PE

Our PE lessons are planned for Thursday and Friday, please could children arrive in PE kit for the day. for this.

### Reading

Enjoying books at home has a positive impact on children's progress at school. Please ensure your child reads at home at least 3 times a week and it is recorded in their home school diary.

### Homework

Children will need to complete one reading comprehension a week in their CPG books. The children's spellings will be available on google classroom each week. The children can practise these how they'd like and the test will be on a Friday. Children should continue learning their timestables, there multiplication test will also be on a Friday. **Please note there will not be a reading comprehension homework this week.**
