## Spring 2 2021

I am really looking forward to welcoming everyone back into class on Monday, it will be lovely to see you all again.

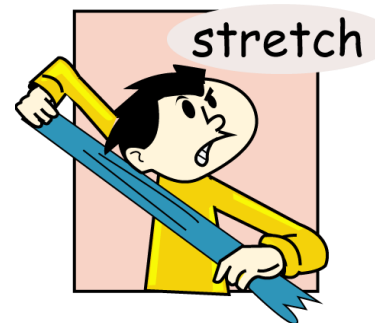

I hope it will be a really smooth transition from remote learning back to full time teaching in school.

Please can the children bring their home learning books with them on **MONDAY** as it is really important for me to see the work they have been doing.

**SCIENCE - Materials** - Know that the shape of certain solids can be changed by either bending, stretching, twisting or squashing)

The children will demonstrate these different forces by applying them to a solid that will change shape.

Children will know it is difficult to change the shape of many solid objects.

**P.E.** will be on a **THURSDAY AFTERNOON** this half term.

Please come to school in your P.E. kit wearing a school sweatshirt or hoody,

comfortable outdoor clothes, trainers and a school sweatshirt/cardigan (Wellies and a waterproof coat will also be needed.)

**FOREST SCHOOLS** - will remain on a **TUESDAY AFTERNOON**.

Please come to school in warm, comfortable outdoor clothes, trainers and a **SCHOOL SWEATSHIRT** or **CARDIGAN**. (Wellies and a waterproof coat will also be needed.)

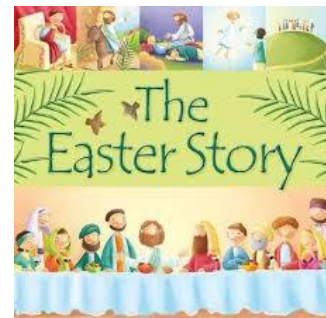

**ENGLISH** - Instructions, an extended piece of writing and grammar activities.

**MATHS** - Mass and re-visiting 'Time' to secure understanding.

**R.E.** - Salvation - Why does Easter matter to Christians?

Looking at the happy and sad events of the Easter story.

**TOPIC** - We will continue with **EGYPTIANS** until Easter and there will be a focus on 'Design and Technology' for the next three weeks.

Mrs Gulliver will continue to work in Fountains on a Monday, Tuesday and Wednesday morning and work alongside Mr Houghton for Forest Schools on a Tuesday afternoon.

Please just ask if there is anything you are unsure about.

Kind Regards, Mrs Sowray
